THE PROJECT

The 10th edition of the International Choir Festival "**Corin Festival**" is an important event that combines the passion for music and singing with the universal values of friendship and solidarity. It is a friendly and non-competitive choir meeting that fosters the approach of distant and different musical cultures.

The festival is dedicated to various musical styles and is held every year in October. The artistic direction and organization are in the hands of **Professor Manuela Borghi**, choir director and president of the Schola Cantorum choir of Bazzano, in collaboration with music & friends.

Objectives

With this project, the following objectives are to be achieved:

- Raise awareness, deepen, and spread choral music.
- Spread musical culture through "singing together."
- Promote knowledge and socialization between groups from different countries who share a common passion for the art of choral singing.
- Present to the guest choirs the history of our country through various production entities in our area and promote them from a tourist perspective.

EMILIA ROMAGNA

The diversity between **the mountains and the sea** offers visitors to Emilia Romagna breathtaking views, as well as beauty for the eye and the soul, with a mixture of colors, aromas, joy, music, cinema, and art, all in a single region.

Art and culture have found their ideal breeding ground here. This is the land of **Verdi's** novels and **Giovanni Pascoli's** poetry, as well as **Fellini's** unmistakable cinema.

Bologna is the capital of Emilia Romagna. The city of fairs and trade condenses these aspects in the **Basilica of San Petronio**, one of the most beautiful churches in Italy with its unique and unfinished facade. In Modena, the city of taste and home of tortellini, you can visit the Romanesque cathedral and the bell tower **Ghirlandina**.

A journey through this region can be under different signs, one of them is undoubtedly the art of enjoyment, with a cuisine full of intense yet refined flavors like the famous mortadella, the world-renowned Parma ham, along with Grana and Parmesan, trademarks of Italian gastronomy. Finally, the wines: Trebbiano, Lambrusco, Barbera, and Sangiovese.
