## BARCELONA

Choirs from around the world will gather to perform in front of enthusiastic audiences at the Barcelona Advent Singing.

Barcelona, the capital of Catalonia, is a Mediterranean and cosmopolitan city with Roman remains, medieval neighborhoods, and some of the most beautiful examples of 20th-century Modernism and avant-garde architecture.

It is no surprise that the representative works of Catalan architects Antoni Gaudí and Lluís Domènech i Montaner have been declared UNESCO World Heritage Sites.

Advent in Barcelona is a magical time that fills the city with light, tradition, and festive spirit. The streets are adorned with Christmas decorations, and markets like the Fira de Santa Llúcia in the Cathedral Square offer a wide variety of handmade products and nativity scenes.

During this time, the city creates a unique atmosphere that invites both locals and visitors to enjoy the music, gastronomy, and warmth of the holiday season.

Can you imagine performing in one of the most vibrant and cultural cities in Europe during one of the most magical times of the year? Barcelona Advent Singing is your opportunity to make it a reality.

We invite choirs from around the world to be part of this unique event, where you can perform your music in front of enthusiastic audiences on unforgettable stages.
