COSTA BRAVA

Imagine a unique journey filled with spectacular landscapes, history, and traditions. The Costa Brava and Girona are among the most beautiful and culturally rich regions of Catalonia.

During this trip, participating choirs will have the opportunity to perform in iconic venues across the Costa Brava and visit some of the region's most emblematic towns and cities, such as **Girona**, with its **medieval old town**, the famous **Girona Cathedral**, and the **Arab baths**, or **Tossa de Mar**, renowned for its medieval castle overlooking the sea.

Each performance will be an opportunity for the choirs to showcase their talent in settings that highlight the emotional power of choral music.

Moreover, the Costa Brava, with its natural charm and Mediterranean climate, offers the perfect backdrop for moments of rest and relaxation, both for the musicians and their companions.
